2020 Honda Fit Hybrid e:HEV - Low 8,030 Kms - Great Look - Grade 4.5

Buy Safe
 Honda e:HEV is a plug-in hybrid electric vehicle (PHEV) that offers the flexibility of a conventional car with the added benefit of electric driving. It's designed for those who want to reduce their carbon footprint and save on fuel costs. The car features a 1.5L I4 engine and a 1.4 kWh battery pack, providing a combined range of up to 1,000 km. It's also equipped with advanced safety features like adaptive cruise control and lane-keeping assist. The interior is spacious and comfortable, with a large infotainment screen and multiple USB ports. The car is available in a variety of colors and trim levels to suit your needs. For more information, please contact us at 0800 22 44 02.
