Welcome to Wholesale Cars Direct.  
WCD is quality, WCD is service, it is who we are.

The best example of a NV200 we have, great spec for what is normally a very basic van. Let alone Japanese grade 4.5 which doesn't come often in a small commercial vehicle. Extremely well looked after. Comes with Forward collision warning, Front/Rear parking sensors, Lane departure warning, Reverse camera, Air conditioning, Auto headlights, Central locking, Twin airbags, Twin sliding rear doors, 3 Point seat belts for all seats. The internal rear floor can take a full size pallet up to 1.36m high & 739kg in weight. A total load space of 4.2 cubic metres. Equipped with the 1.6 litre engine.
