

A gold Volkswagen Golf is parked in a garage. The car is a five-door hatchback, shown from a front-three-quarter view. It has a metallic gold finish, silver roof rails, and alloy wheels. The car is parked on a concrete floor next to a grey corrugated metal wall. A security camera is mounted on the wall behind the car. The license plate is black with white text, partially obscured by a black box.

[illegible]

Vehicle is now in Wellington due to be complied.
